(604) 312-4784 www.orcaboats.ca rod@orcaboats.ca
 #7 – 3005 Murray Street, Port Moody, B.C. V3H 1X3
 (one block from Rocky Point boat launch)

On Site Building

For those who would like more ongoing assistance or those who do not have the building space, build your own canoe or kayak in our shop. We provide all the materials, tools, space and expertise to ensure that your first attempt is successful. The materials kit includes everything you will need to complete your project. You provide the energy, enthusiasm and labor, and we ensure to turn your paddling dreams into reality. Inquire about material costs and instruction rates.

Seminars

| Free Seminars | Free Presentations |
|---|---|
| Orca Canoes & Kayaks Ltd. promotes safe and environmentally friendly paddling. These seminars are free to the public and often supported by our sponsors. Registration is required to ensure adequate materials and seating. To register, simply contact us to add your name to the list. | To book your free (within our geographical area) slide presentation and demonstration on how to build your own canoe or kayak, contact us. We bring all necessary equipment and materials for these interesting and informative slide presentations. Through 2009, we have presented to Canoe and Kayak Clubs, Wooden Boat Clubs, Boy Scout organizations, at Kayak Paddlefests and at the Vancouver Boat Show. |
